

MediLife BioSciences (Healthcare)

Annual Report — Fiscal Years Ended December 31, 2022 through 2024

MediLife develops advanced oncology therapeutics.

Management's Discussion and Analysis

Revenues dropped in 2024 due to patent expiration of our flagship drug. However, R&D; expenses remained high.

Cash flow remains extremely strong due to licensing deals, presenting a mismatch with dropping revenues.

Consolidated Statements of Operations

Metric	2022	2023	2024
